

Gold Fever.

Gold Fever is a combination between a game and a puzzle and is based on popular "Minesweeper" with a new, fun design. Gold Fever captures the player who return often to play again.

ABOUT THE GAME

There are 2 versions – **Beginner**, which is aimed towards the younger target group and **Expert**, which is targeted to adults and players who love a challenge. The beginner version can of course also be enjoyed by the "big kids".

MORE ON GOLD FEVER

There are 10 big gold nuggets hidden in the game and the player heads out to find all 10. But they have to look out for the dynamite.
